

Authentic Happiness (Part 2)

The Source of Authentic Happiness

September 03, 2015

Main passage: Matthew 5:3-5

Additional Passages: Numbers 12:1-16; Matthew 26:47-54; 1 Peter 5:5-7

Questions:

How do you respond to people's criticism?

Read Matthew 5:4. What does it mean to be meek? Give examples of people who you consider meek?

What are some misconceptions about what true power means?

Read 1 Peter 5:6-7. What is the relation between having a heart at war against God and people and pride? And between pride and anxiety?

Read 1 Peter 5:5-6. Why does God not tolerate pride?

Read Matthew 26:47-54; Philippians 2:3-8. How did Jesus live up to what he preached in relation to humility? How does Jesus' example of humility challenge your own attitudes? Give personal examples.

Read again 1 Peter 5:6-7. What is God's promise for you in this passage? Based on this same passage, what does God require from you so you can experience true happiness and freedom from pride and anxiety?

What is the power of having a humble heart? How are humility and trust in God connected? What steps is God asking you to take this week so you can lean on him and not on your own strength?

Take a few minutes to reread this weeks Scripture references.

What is the power of having a humble heart? How are humility and trust in God connected? What steps is God asking you to take this week so you can lean on him and not on your own strength?

Take a few minutes to reread this weeks Scripture references.
